- suspending local laws; and
- requesting supplemental assistance.

2. ***Can a declaration give legal protection?***

Yes. A declaration of a local State of Emergency provides legal protection and immunities for the Chief Executive and local emergency officials when they make decisions and take actions to respond to disasters or emergencies.

3. ***Will the declaration help raise public awareness?***

Yes. A declaration of a local State of Emergency helps make the public aware of the hazards associated with a disaster. It also can emphasize the protective measures you may need to ask citizens to take.

4. ***Can a State of Emergency be declared at any time?***

No. A local State of Emergency can be issued when a situation exists that has or will place the public at risk and that will require extraordinary measures for proper protection.

5. ***When should I declare a local State of Emergency?***

You should consider declaring a local State of Emergency when a dangerous situation is present or imminent and emergency officials are considering protective actions such as:

- Evacuation of people for a large or heavily populated area street, road, housing development, multi-resident buildings).
- Sheltering people in designated areas or buildings.
- Large-scale closing of roads due to conditions considered to be dangerous to lives and property.

You should also consider declaring a local State of Emergency if the following conditions are present and pose a dangerous threat to the municipality:

- Riots, hostage situations or civil unrest.
- Impending emergency or disaster caused by natural forces (floods, blizzards, ice storms, tornadoes).

6. ***Can I issue the declaration verbally?***

Yes. The Chief Executive may issue a declaration verbally if time is a crucial matter. However, you should follow the verbal declaration with a written declaration.
