

## Town & Village of Stillwater Public Input Survey

### Local Waterfront Revitalization Plan (LWRP) Survey #1

The Town and Village of Stillwater are undertaking a joint Local Waterfront Revitalization Plan (LWRP) planning study to identify potential improvements that will enhance the area. Please take the opportunity to answer this short survey (approximately 10 minutes).

When answering the following questions, please consider the following: The LWRP Study Area includes all of the Village of Stillwater and in the Town of Stillwater, an area approximately 1.5 miles inland from the Hudson River (see map above). This project is considering many needs for the area including: Economic Development, Land Use & Zoning, Quality of Life, and Transportation & Infrastructure.

Thank you for participating in our survey - your feedback is important. Your answers will be provided to the Steering Committee & local officials and influence the outcome of this planning effort!

For more information about the project, please contact: Paul Cummings at (518) 824-1930 or at [pcummings@chazencompanies.com](mailto:pcummings@chazencompanies.com)

**Town & Village of Stillwater Public Input Survey**

**3. What type of businesses would you like to see open in the Study Area?**

- Small retail stores
- Grocery store
- Restaurants
- Coffee Shop
- Laundromat

Other (please specify)

**4. In your opinion, is there adequate waterfront access? Where could there be additional waterfront access?**

*Please be specific with locations in your answers.*

**5. Are there waterfront-based businesses or economic development opportunities you would like to see?**

*Please be specific with locations in your answers.*

**6. What are your thoughts on how the overall economy of the Study Area can be improved?**

*For example, considering the amenities that already exist in the Town & Village (i.e. Battlefield, Cemetery, Blockhouse, etc.), how might these be enhanced through complimentary amenities (i.e. tourist bureau, wayfinding signage, food and beverage options, etc.) to increase their overall economic impact?*

**7. Are there currently any transportation issues – roadway congestion, lack of sidewalks or trails, lack of directional signage, roadway condition, parking issues, etc.? (Please identify specific locations if possible.)**

How would you recommend these be addressed?

**8. What type of development, if any, would you like to see along Route 4 and the Hudson River? *This may include single-family housing, multifamily or apartments, mixed use downtown buildings, open space, etc.* Are there specific areas where you would like to see certain types of development (e.g., near the Saratoga Battlefield, in the Village of Stillwater, in the Riverside Neighborhood, outside the Study Area entirely, nowhere, etc.)?**

**9. Is there anything else you would like to share with the LWRP Steering Committee and your local elected officials?**
